

PHOTOGRAPHY SESSION INFORMATION

Thank you for your interest in having your special friend's portrait taken by Meghan. Our primary interest is insuring that you, the customer, are satisfied with our service. As a result, we find it is easier to spell out prices and services beforehand. Please note that we do not provide unedited, full size digital versions of our photos, all images are cropped and color corrected for you. This is so that you get the best final product possible.

Farm/Location shots with your dog or horse. We can provide a number of different types of shots, from keepsakes of your special companions, to photographs to be used for advertising. When you schedule your shoot we will discuss all the possibilities.

Standard Farm/Location Shoots - \$150 for the first hour. \$50 for each additional hour.

Farm Shoot includes a disk of web size images. The small digital images are appropriate for sharing online, but not large enough to use in printed ads. Please see below for information about high-resolution images.

When you schedule a photo shoot, this entitles you to discount pricing on prints. Standard prints are cropped and color corrected, professionally printed on Kodak paper. For additional cost prints are available on canvas, as well as a variety of different mounting surfaces, that allow you to complete customize your images.

Standard print prices:

8 x 10 \$25 11 x 14 \$40 16 x 20 \$60

Larger and smaller prints are available upon request and multiple discounts are available.

We recognize that sometimes you just want your images on a disk for advertising and other print purposes. We offer cropped and color corrected high resolution digital files as follows:

5 images \$60 10 images \$100 15 images \$150 20 images \$200

Please let us know if you have any other custom photo needs, such as calendars, displays or posters, as we have many products available and can help you use your images in a unique way.
